WEB MASTER: Dale Crouch reported in detail about the ASA Website and what it contains and all the Districts in AZ that it covers. The Webmaster updates and keeps backup pages for the State page and Districts 1, 3, 4 & 5. District 2 is a part of the state website but is edited by John Murray from Tucson and issues as to District 2 should be referred to him. Each district should have a single point of contact for submitting content to the website, if possible, if not, this falls on the District Presidents. Sylvia Smith was designated as authority for the State Calendar and any changes must be authorized by her. Dale posts on Sunday and spends 2-3 hours updating the website. All updates are done on the weekend unless it is an emergency.

Discussion was held regarding a backup person(s) to learn the website and make updates as it is, or to move to a more user-friendly platform that is optimized to work on mobile devices and does not rely on specific editing tools and expertise.

A motion was made by Dale Crouch and seconded by Al Plante that Dale check into another platform that is more user-friendly not to exceed \$300.00 per year.
