He does have some changes; closest to the line is measured from the lag line to outer portion of the disc. Waxing of the kitchen can be done anytime and waxing during tournament is a 2 X 4 area. Violations of the rules will be addressed, two warnings will be given, and a third warning will be a disqualification to the shuffler. Marlin asked if we will still be issuing referee cards and they will be.

Hall of Fame – No report.

Players Placement – Marlin Ordway will be taking lead on the placement committee. Chuck Crouse and Brian Monger to assist. He is hoping to put

another team together for the early start league so they have an equal number of teams in each league. Discussion on adding a player from another park was held and will be addressed when teams meet after this meeting.
