

To All Captains:

Please print all information and return the Team Roster Form plus proper ASA dues to your league secretary/treasurer one week prior to league play. Please add only the names of your committed players.

FYI: Substitutes may play no more than 2 games for a team per season and must pay \$5.00 for an ASA card. If a sub plays 3 or more games, he/she is considered to be a full team member and must pay the league dues in addition to the ASA dues. After the final team rosters have been reconciled, membership cards will be sent to the team captain for distribution. If, at a later date, a new player joins your team, please send the \$5.00 ASA dues and all pertinent information to the District 1 Secretary who will then issue that player a card and forward the dues to the District 1 Treasurer.

To the League Secretaries/Treasurers:

Please send the Team Roster Form to the District 1 Secretary within ten days of your first league game.

In addition, please return the League Officer Listing/Dues Payment Summary (plus \$5.00 ASA dues per player) to District 1 Treasurer within ten days of your first league game.
