#### Committee Reports:

League Chair: Dawn Cappleman asked to submit the team rosters, even if you don't have a full team roster, please fill out the top part of the form.

Brad announced that we are going to try to make sure our District Calendar of tournaments is more available to everyone, via the internet and a copy of the Calendar in the Captains packets. We want everyone to know ahead of time the conflicting tournaments, so they can plan for make-up games for the league play. Dawn has done a wonderful job.

Hall of Fame: Brad Sawchuk this year there were no nominations to Hall of Fame. I know there are people in this organization and this District that are eligible. If anyone needs to know where they are standing, he has a database of the stats and he can let you know where you are at in your eligibility. Normally he would like submission by mid-January so that he can have it at the March meeting of 2025.

Head Referee: Bill Stoneburner had 4 classes this year. If you want a Rules and Etiquette class, call him or Linda. This past season he educated 98 people in Rules and Etiquette. His assistant is Grieg Carter.

Historian: There is not a Historian Report for this meeting. There was a motion proposed a year or two ago for Grieg to digitize the photos. The purpose of doing this is to keep our photos preserved. A benefit of digital photos is they can be viewed on a screen.

Rules: Brad announced that Gary Barlet is the new Rules Committee Chairman, other committee members are Rick Harling and Doug Sawchuk. Only recently have we received a submission to be reviewed by our Rules Committee. The submission is regarding reintroducing penalties to a certain degree, perhaps minor penalties. We are going to investigate these things, but they are state rule changes, and they are not something that we

can do in our own District. After we investigate these things, we will introduce it to a state level rules committee.

Old Business: Dale Crouch would like to speak about the Website. Dale does all the posting for Districts 2, 3, 4 and 5, usually on Sundays. We keep the schedule for all the tournaments on the website. All park reps are kept on the website with contact information. Tournament Directors are also listed there. There is a list of all the members and who have paid their dues. All the State and District rules are also on the website. All the ASA sanctioned tournament pictures and now all un-sanctioned tournaments will also be on the website. This year as each league turned in their results, we would post those results ongoing for the season. Please check out our website for your convenience.

Any dues that we receive tonight will be held until year end is accomplished. Please hold all your dues for your teams until the Fall Team League meeting. There will be 2 separate forms to be handed in. One with the team roster and one with the dues. Team Rosters will be handed to Dawn, and dues will be handed to Donna.
